Graham Daniels
Strathalbyn, South Australia
Australia.

Very occasionally you meet someone who has the ability to change your life.

I have known Graham for over 13 years, in various capacities, as a friend, a colleague, a business partner and as an advisor. He has exceeded my expectations in all.

He is a rare person who takes you at face value and offers his friendship and support freely. He is highly organized, intelligent, totally trustworthy and conducts his life and business with the best tenets of his faith.

In all things I have found him to be extremely efficient and frighteningly competent. He is a free thinker who spends most of his time outside the box. He has a refreshing view point, determined in the pursuit of his beliefs and is always a very good laugh.

Graham could accomplish anything he sets his mind to, he is constantly a work in progress and I will follow his ventures with eager anticipation.
