**TO WHOM IT MAY CONCERN**

I first met Graham Daniels in the late 70's when he was a budding young entrepreneur ready to take on the world.

Now some twenty years later, he has!

So many of the people I have grown with over the years have allowed varying issues and circumstances to wane their enthusiasm for business and life in general - **not Graham.**

I am pleased to be able to say it is always refreshing to catch up with Graham because he always has a positive and enthusiastic attitude to all aspects of life. He hangs onto projects that he believes in and takes on new ones that he sees merit in and never hesitates to share them with people from all walks of life.

Graham has a unwavering belief in his Christianity and in himself and I am personally proud to have had a close association and look forward to sharing our thoughts, ideas and aspirations together for many years to come.
