Dear Reader

Mr. Graham Daniels

Over the last 5+ years, I've had the pleasure of many ongoing exchanges with Mr. Graham Daniels regarding a variety of matters including Fiscal/Monetary Policy, International Economic and Geo-Political Trends, Generational Wealth Creation, Application/Dispensation of Local Government, National & International Law, Contract Negotiation, Corporate Strategies and the wisdom of Kingdom Principles for successful living.

During this time I have observed Mr. Daniels' unwavering commitment to train and equip people with skills, insights, and knowledge necessary to become world-class, principle driven leaders in marketplaces, classrooms, and homes around the world. I have always been impressed by Mr. Daniels' unique ability to bring fresh revelation and perspective to any situation, and his ability to reduce even the most complex situations into bite sized pieces, for even the most faint hearted to digest.

Mr. Daniels is a happily married family man, who is described by his integrity, trustworthiness, and his consistent, reliable demeanour. Mr. Daniels is a man who stands for truth, before profit and recognition, and a man who dares to stand against the masses, the tide of popular belief, whenever fundamentals suggest a different perspective.

I have no hesitation whatsoever in providing the highest recommendation of Mr. Graham Daniels to you, and invite you to contact me at the postal address shown above, or at jason@jaddco.com should you wish to clarify any aspect of this letter.
